## 1937 Oil along coast of Norway would indicate the nearness of Jesus's return

In 1937, Martin Andersen an elder in the Pentecostal church at Moss in Norway heard the following prophecy: "When oil comes out of the north seas and along the Norwegian coast, things will begin to happen and the return of Jesus is approaching." When these words were proclaimed people stood up in the congregation and asked the man to sit down and not to speak such nonsense. Oil being pumped along the Norwegian coast!? Today Norway is the third biggest exporter of oil in the world!

## 1968 A 90 year old lady from Valdres.

- \* **Period of détente and disarmament. 3<sup>rd</sup> world war.**
- \* **Luke-warmness and falling away**
- \* **Deterioration in morals**
- \* **People stream to Norway from poor countries**

An old woman of 90 from Valdres in Norway had this vision from God. "I saw the time just before the return of Jesus and the outbreak of the Third World War. She mentions four events that will happen in Norway in the last days.

"First, there will be a détente like never before. There will be a long peace between the Super Powers in the east and west (In 1968 the cold war was at a peak) In this period there will be disarmament in many countries, also in Norway, so we will not be prepared when the war comes. The 3<sup>rd</sup> world war will begin in a way that no one could have anticipated and from an unexpected place."

Secondly. "A luke-warmness without parallel will take hold of many Christians, combined with a falling away from true living Christianity. They will not be open for penetrating preaching. They will not want to hear of sin and grace, law and gospel, repentance and restoration. There will come a substitute instead; prosperity (happiness) Christianity.

The important thing will be to have success, to be something, to have material things, things that God never promised us. Churches and prayer houses will be emptier and emptier. Instead of the preaching, **entertainment**, art and culture will invade the churches where there should have been gatherings for repentance and revival. This will increase markedly just before the return of Jesus."

Thirdly. "There will be a **moral disintegration** that Norway has never experienced the likes of. People will live together like married but without being married. Much uncleanness before marriage, and much infidelity in marriage will become the normal and it will be justified from every angle. It will even enter Christian circles."

"**TV** will be filled with such horrible violence that it teaches people to murder and destroy each other and it will be unsafe on our streets. People will copy what they see. There will not only be one TV station but the air will be filled with many. People will use the TV for entertainment. Sex scenes will also be shown on the screen, the most intimate things that take place in a marriage." (This was written in 1968 when these things would still have been unthinkable)

Fourthly. "**People from poor countries will stream to Europe.** They will also come to Scandinavia and Norway. There will be so many of them that people will begin to dislike them and will become hard towards them. They will be treated like the Jews before the Second World War. Then the full measure of our sins will have been reached."

The tears streamed down the old woman's cheeks, "I will not see, but you will. Then suddenly, Jesus will come and the third world war breaks out. It will be a short war. All that I have seen of war before is only child's play compared to this one, and it will be ended with a nuclear bomb. The air will be so polluted that one cannot draw one's breath. It will cover several continents, America, Japan, Australia and the wealthy nations. The water will be ruined. We can no longer till the soil. The result will be that only a remnant will remain. The remnant in the wealthy countries will try to flee to the poorer countries but they will be as hard on us as we were on them. The one who has his sin forgiven and has Jesus as Saviour and Lord is safe"

**A vision of the Holy Spirit moving from England to Norway.  
Norway will be the gate to Europe.**

In 1997 Esther Teo from Singapore has such a burden for Norway that she travelled there to deliver a special message. "There will be a revival in Europe. **The Holy Spirit is moving from England to Norway, and Norway will be the gate to Europe.** Missionary fire starters will take the revival from Norway to other parts of Europe. Pray for Norway's towns and cities; God will bring the nation back through them. Prayer warriors from England will visit the country, and Norwegians will also become prayer warriors, opposing satan and commanding him to let their people go. But before this move of God's Spirit there will be a movement of intercession and repentance.

**Intercession and repentance will precede the move of The Holy Spirit**

#### **September 2001 Bernard Brown:**

"As the Arctic Circle runs through Norway and Sweden so there is a spiritual arctic circle that runs through Europe. As much of the ice and snow melts when the summer comes, I will melt the hearts of these nations by my Spirit. Brokenness and revival will flow down from Norway, Sweden, through Denmark and into Germany and the rest of Europe like an unstoppable tide."

He also saw a picture of Norwegians coming across the mountains. Each had a rucksack on their back, out of each rucksack was a Norwegian flag, and from the top of the flag was a flame. He felt God say that the flame was the life of God, and these people were those who God would use to take His life from house to house, street to street, city to city and from this nation to many nations.

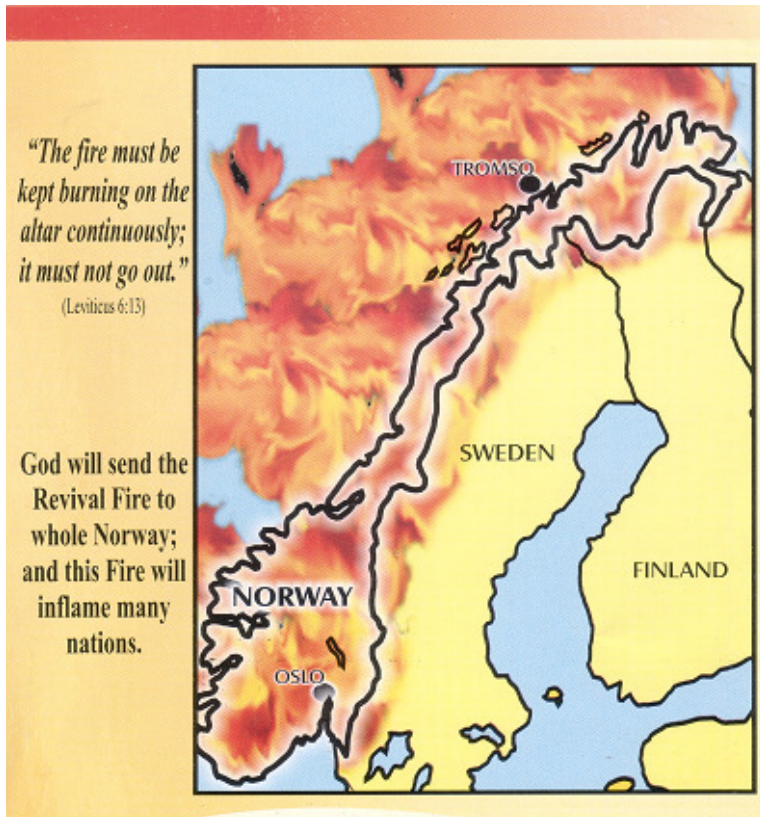

These people were Vikings with a new spirit that God would raise up. Once the Vikings were a fearless people who feared no man nor had any fear of God. Now the Vikings fear man but still don't fear God. The Vikings that God is raising up will fear Him but have no fear of man. This time when they go they will take the life and love of God and reach many for the Kingdom.

**"Som Polarsirkelen går gjennom Norge og Sverige slik er det en åndelig Polarsirkel som går gjennom Europa. Som snø og is smelter når sommeren kommer, slik vil jeg smelte hjertene i disse nasjonene ved min Ånd. Sønderknuselse vil flyte nedover fra Norge, Sverige, gjennom Danmark og inn i Tyskland og resten av Europa som en ustoppelig strøm."**

**Norway, like Lazarus, is sick . . .**

**"I am going to wake him up - I am going to bring life and revival.  
I want you to proclaim this!"**

22nd November 2000

God gave Günter Krallmann a vision concerning revival for Norway. He saw a picture of Norway from space with a clenched hand, thumb uppermost, poised over the nation, from the base of the hand golden light was pouring down covering the whole land. The vision was a sign that the Glory of God will come over Norway. See Isaiah 40:5 and 60:1-3. A promise that God will do amazing things.

**2004 At a Christian Conference in Jordan** an Arabic speaking man gave a message in 'a tongue'. The tongue was given in perfect Swedish, a pastor from Sweden was present at the Conference and heard the message. "At a small place in the north of Norway named 'Trerikrøset near the border with Sweden and Finland there is source of a river that feeds into the nations of Norway, Sweden and Finland. This is a *picture* of a revival that God will bring to these nations'.

**2004 YWAM Staff Conference in Hawaii.**

**Angel with large flask of oil – poised to pour it out over north coast of Norway**

In 2004 at a conference for staff of YWAM North America a lady had a picture of an angel standing at the northern coast of Norway. The angel had a large flask of oil and was poised to pour out the oil. As the angel did so the oil flowed southward and eastward into Sweden and on down into Denmark. She felt that this was a picture of God wanting to pour out revival on these nations and that the conference should give time to pray for this.
