Sacks of marijuana burned ~ and two witchdoctors saved.

Mission to Bingo 18th- 25th November 2013

Travelling Mercies . . .

Even at the best of times, the six-hour journey through Eastern Uganda to the village of **Bingo is no picnic: but when a team arrives to share the gospel in this** stronghold of witchcraft, the stakes go up a thousand fold. It was only by God's grace and intervention that our team were saved from serious accidents on no fewer than **four** occasions

Thank You Lord for your protection – it's **far** more powerful than anything the witchdoctors could conjure up (we learned later that they had been actively enlisting the aid of demonic realms to harm our team as they travelled)!

. . . And witchdoctors saved!

How God loves to work in out of the way places! We were privileged to witness a mighty harvest of souls in this little place, with no fewer than **five hundred and ninety** people, including **two witch doctors**, a number of Muslims and even the **chairman of the local district council**.

The joy of the Lord in Bingo!

Church increases *fourteen* fold / Witchcraft items surrendered for burning

One little church plant of just **six** people increased fourteen fold almost overnight to **eighty - six!** So many people were impacted so deeply that they freely offered up their items of witchcraft to be burned. To everyone's great delight this was very very publicly done on the crusade stage to the great joy of everyone.

Sacks of marijuana destroyed

Not only were objects used for witchcraft burned, but some young men were saved, and promptly gave up their marijuana business, bringing sacks of the narcotic to be burned. Praise God for the profoundly changed hearts that made them want to do this.

Please don't stop praying!

- Pray for all the new believers **in Bingo** to be properly cared for and disciplined (please pray in particular for the pastor who has this huge increase in his congregation!)
- For strong unity between the local pastors to be developed, and fresh joint evangelistic initiatives to be developed in the months ahead
- for **Pastor Fred Makubuye** and team as they follow up this mission in the weeks ahead
- for **Pastor Jane Wagaluka** as she makes preparations for our next mission in January to **Kalunga**

Thank you so very much again for all your prayers, encouragement and support. As always, we are so aware that there is no way that we could continue this work without them.

May each of you know both the peace of God this joyous Christmas time – and experience God's abundant blessings in the coming New Year!
